**LCV CARGO CARRIER OF THE YEAR: MAHINDRA FURIO 7
APOLLO CV AWARDS - 2022**

Presenting a new line of LCVs that will revolutionise the LCV category in India and transform your business in a truly big way: the Mahindra FURIO - Light Commercial Vehicle range. A range of LCVs from the FURIO line, these trucks offer assured higher mileage and higher payload capacity to take your profits upwards. They come with unmatched advantages and a best-in-class cabin that offers more driving comfort, convenience and the assurance of safety.

The best aspects are the guarantees that our range of LCVs come with. While the entire truck range gives you double service guarantee ('36 hour guaranteed turnaround at workshop' and 'Get back on road in 48 hour from any breakdown'), the FURIO 7 Cargo trucks has a guaranteed resale value after 5 years. Now, which other LCV brand gives you such assurances?

Best-in-class mileage with FuelSmart technology.**

iMAXX advantage - more business efficiency, more profitability.

Higher payload directly leads to higher profits.

Best-in-class cabin comfort to enhance driver's performance.

3 year/Unlimited kilometre transferable warranty.

**FuelSmart technology is available only in FURIO 7 HD Cargo & FURIO 7 Tipper models.

*For more details of these guarantees, visit www.mahindratruckandbus.com

DESIGNED FOR INDIA. ALL THE WAY IN ITALY.

Pininfarina in Italy is the design arm of Mahindra and one of the greatest names in automotive design. Their rich legacy of over 8 decades is steeped in innovation and impeccable design. They have designed several legendary car brands across the globe.

The latest addition to their achievements is the Mahindra FURIO LCV range. In fact, Mahindra Truck and Bus and Pininfarina collaborated to create a ground-breaking truck first in the ICV category and now in the LCV category, evolving Mahindra's trucking DNA with modern features to bringing distinctiveness in style.

You'll see it in the exterior of the Mahindra FURIO 7 which has been crafted to display the sturdy build of the vehicle. And also in the interiors which are insightfully crafted to give the driver the best on-road experience.

DISCOVER THE HEART OF THE FURIO LCVs.

The 6-tyre FURIO 7 HD and FURIO 7 Tipper come with a 3.5 litre mDi Tech FuelSmart engine. With a 1600 bar Bosch common rail system and an Electronic Wastegate Turbocharger that together give you a unique combination of higher power and higher fuel economy. This truck has an auto belt tensioner that sets itself and needs no manual adjustments. A higher capacity alternator makes sure higher electrical loads are not a problem. And a hydraulic lash adjuster (HLA) makes sure you don't have to frequently re-set the tappet.

mDi Tech

mDi

The 4-tyre FURIO 7 comes with the trusted 2.5 litre mDi engine that has a 1600 bar Bosch common rail system and an Electronic Wastegate Turbocharger to give you best-in-class mileage without compromising one bit on power. Also the engine comes with a stretch-fit belt so that there is no need for any manual adjustment for belt tension.

DOC (Diesel Oxidation Catalyst) /
DPF (Diesel Particulate Filter)

SCR (Selective Catalytic Reduction) /
ASC (Ammonia Slip Catalyst)

SWITCH ON MILEAGE. SWITCH ON POWER.

Developed by Mahindra to give your business a competitive edge, FuelSmart technology* lets you choose between superior mileage and optimum power as and when your business demands. Turn on the Load mode when your vehicle is with rated load as per GVW on a highway or if it's going up a steep incline or on a ghat section. Or use the Empty mode when you're carrying a part load, running empty or delivering within the city.

*FuelSmart technology is available only in FURIO 7 HD Cargo & FURIO 7 Tipper models.

FUELSMART

MAHINDRA **BS6** AFTER TREATMENT SYSTEM. LOWER AdBlue CONSUMPTION MEANS HIGHER EARNINGS.

BOSCH ATS SYSTEM - TRIED, TESTED, TRUSTED.

The Mahindra FURIO LCV range is not only built for profits but also for savings. Its AdBlue consumption is lower. Provided you use Maximile Plus, a Mahindra-recommended AdBlue. That means fewer trips for refuelling and lower AdBlue expenses. And what does this mean for your transport business? Increased earnings of course.

BUILT TOUGH TO BE ALWAYS RELIABLE.

The Mahindra FURIO LCV range is as much about reliability as it is about profitability. Its gearbox is made in-house by Mahindra, bringing in years of understanding of the Indian road conditions. A 5-speed overdrive transmission makes this truck ideal for highway driving. The thoughtful gear-speed ratio gives you superior driving performance in every gear. Gear shifting itself is precise and smooth thanks to the cable shift and double synchrocone. And the main shaft has deep groove ball bearings for better efficiency for extended periods of time.

Both the FURIO 7 HD and the FURIO 7 Tipper come with an LUK Clutch; of 280 mm and 310 mm diameters respectively. The bigger diameter provides more contact area and better power transmission without any slippage. There's even a booster to lower the effort of clutch operation and higher lining life to lower maintenance cost. What's more, there's a wear-indicator to let you know when you need to replace it.

The heavy-duty Hypoid Rear Axle Meritor is no different when it comes to reliability. It has an optimised rear axle ratio that goes a long way in ensuring higher fuel efficiency. Then there's the bigger crown wheel diameter that delivers higher power transmission. And the optimised gradeability that allows this truck to climb steep inclines effortlessly even with a full load.

WHATEVER THE TERRAIN, WHATEVER THE WEIGHT.

The suspension of the Mahindra FURIO 7 Cargo and FURIO 7 HD Cargo follows the classic Mahindra reliability in its design and build. The semi-elliptical suspension is heavy-duty and has the capability to effortlessly carry the load it is built for.

Anti-Roll Bar (ARB) - Better Stability

The chassis is designed for typical Indian habits and road conditions. Its "C" Section long members with C type reinforced cross member gives superior strength. Built using high-strength, low alloy material (HSS 550) with powder coated cross members and long members, the chassis has significant durability. While the anti-roll bar enhances its stability even further. Made with customer convenience in mind, this chassis has a bolted construction that allows for easy repairs whenever needed.

A WORLD-CLASS DRIVING EXPERIENCE.

5°C cooler cabin - Best-in-class comfort.

The cabin of the Mahindra FURIO 7 has a unique rake angle that ensures lower exposure to the sun. This keeps it cooler for longer periods of time. In fact, it is actually 5°C cooler compared to other LCVs. There are also 8 air outlets to make sure the driver stays fresh for longer hours at the wheel. The wider windshield offers better visibility, increased safety and most of all, gives the driver greater awareness of the area around the truck.

Ergonomically Designed Cabin with 4 Spoke Tilt and Telescopic Power Steering.

Mahindra FURIO 7 has been designed and styled at Pininfarina, the Italian design arm of Mahindra, and the name behind the ground-breaking designs of many renowned international automobile brands. The Mahindra FURIO 7's design comes from invaluable customer insights. And some of the best automotive designers at Pininfarina have worked on it to provide a driving experience that is nothing short of world-class in every way.

MAXIMUM COMFORT LEADS TO MAXIMUM EARNINGS.

Easy cabin tilt

Intelligent Driver Information System

Comfortable seats and higher headroom

Cabin LED lamp

Door with utility pocket and speaker provision

Several storage spaces

Wide spread fog lamps

Reverse Parking Assist System (RPAS)

Spacious walkthrough cabin

TO OUTPERFORM, YOU HAVE TO OUTBUILD FIRST.

The Greenfield Plant in Chakan, one of the most advanced manufacturing plants in India, is where Mahindra FURIO LCV trucks are created. Massive in scale, the Chakan Plant is also renowned for its micro-attention to detail. Each vehicle is put together with robotic precision and utmost care to ensure the highest standard of reliability. A young, enthusiastic and well-trained group of technicians ensures the quality of every vehicle that rolls out from this plant. The plant's cutting-edge technology and sustainable practices make it a facility that's ready to roll out generations of outperforming vehicles.

ABOUT MAHINDRA

Founded in 1945, the Mahindra Group is one of the largest and most admired multinational federation of companies with 260,000 employees in over 100 countries. INITIATIVES TO TRANSFORM INDIAN TRANSPORT INSIDE OUT.

TOUR DE CHAKAN: This is a one-of-its-kind initiative that presents customers a unique tour of Mahindra's state-of-the-art Chakan plant. So they can see the entire truck manufacturing process, the technology and quality control that goes into making Mahindra's trucks the outperforming machines that they truly are.

MPOWER: Launched in association with the Indian Institute of Management, Ahmedabad as the Knowledge Partner, MPOWER helps young professionals in the transport industry meet today's challenges and take their business to new heights. The programme has received widespread appreciation in the Indian transport industry and has seen over 400 young transport entrepreneurs completing the course.

MAHINDRA SAARTHI ABHIYAAN: Staying true to Mahindra's philosophy of 'Rise', Saarthi Abhiyaan, a unique social project was started. It supports truck drivers and their families through health camps, scholarships, driver training programmes and more.

KEEP TRACK OF YOUR TRUCK FROM ANYWHERE WITH MAHINDRA iMAXX TELEMATICS TECHNOLOGY.

Think of the Mahindra iMAXX telematics technology as your personal assistant that updates you with vital information about vehicles and your business. Mahindra iMAXX comes with smart features like accurate refills, live tracking, predictive vehicle health monitoring, fuel efficiency analysis, theft alerts, fuel consumption, AdBlue monitoring, driver behaviour monitoring and a range of automated operation reports. With the help of these features, owners can keep track of their vehicles and business 24/7.

KEY FEATURES

100% RELIABILITY

Mahindra iMAXX is backed by artificial intelligence so you get accurate results every day.

ZERO DATA LOSS

It's equipped with a bigger battery and memory to store data. In addition, it also works on all generations - 4G, 3G and even 2G.

PERSONALISATION

As your business evolves, so does our technology to suit all your needs.

SMART REPORTS

Gives analytical insights and reports regularly to monitor and grow your business.
